DETAILED ITINERARY

DAY 1

We will arrive to Rome and be transported to the hotel accommodation in the city center via luxury coach. After check-in, we will spend the evening on an entertaining walking tour of the city's most notable sights including the Pantheon, Piazza Navona, and Campo de Fiori. Following the walking tour we will enjoy a 'Welcome to Italy' dinner in Rome's Trastevere neighborhood.

DAY 2

We will start the day with the option to choose a guided tour of the Colosseum or Vatican. Then you are free to further explore Rome, the capital of history's most influential empire. Consult your trip leader for suggestions as to where to go and how to see it. Other sights in Rome include the Spanish Steps, Trevi Fountain, and Villa Borghese.

In the evening we will depart for the Amalfi Coast by private, luxury coach bus with A/C, DVD, and bathroom. Upon arrival to the Amalfi Coast, we will immediately check into our accommodation in Sorrento.

DAY 3

In the morning we depart for the port where we board the ferry and set sail for the Island of Capri. Upon arrival, we begin our private island boat tour. First stop is the Blue Grotto. You will be transferred directly from our boat into small row boats that will bring you into the grotto (weather permitting). We will then continue around the island to check out more sights finishing at Marina Grande. We will take private bus transfers up to Capri Town to sip granitas and take photos in front of the amazing back drop of Capri. Our private transport will then bring us further up to Anacapri, the highest part of the island, where we will be welcomed with a delicious lunch of Southern Italian cuisine. Following lunch, we will ride the chair lift to the top of Mt. Solaro to get a breathtaking 360 degree view of the island. We will take private transport back down to Marina Grande where you will have free time to spend on the beach or exploring the shops downtown. We will take a ferry back to Sorrento.

We will organize optional dinners in downtown Sorrento at excellent restaurants with extensive menus of local specialties at great prices.

You will then have the entire day to relax on the beach, swim in the sparkling blue waters, and browse the many shops of Positano, known for ceramics and lace! It is also possible to rent a boat, kayaks, or stand-up paddle boards while there. Our private bus will take you directly back to our accommodation. At night you have free to yourself to either kick back at your accommodation or head into Sorrento.
